THE BEST TACO TUESDAY DEALS IN EVERY SAN DIEGO NEIGHBORHOOD

BY ELLEN WRIGHT

Mexican food is sacred to San Diegans; just ask anyone for their favorite taco joint and you're likely to get a long list of eateries. No day of the week is more celebrated in Mexican restaurants than Taco Tuesday -- they're the perfect excuse to have a mid-week fiesta. The taco deals are great, and often the drink specials are, too, so no matter what San Diego neighborhood you call home, there's a Taco Tuesday deal for you.

Bankers Hill

Barrio Star (address and info)

The deal: \$3.25-\$3.75 tacos all night long

Modern Mexican soul food melds with chic decor to create a beloved hangout spot in Banker's Hill. The fare is slightly healthier than your standard place, but doesn't skimp on taste.
